Brooklyn, N. Y., Aug. 14.—Brooklyn lost the first game in Chicago, but won the second in 13 innings, Wednesday. Ward singled in the 11th, took second on Miller's out and scored on Hamner's double. Ward was hit on the hand by a pitched ball in the third inning of the first game and retired after scoring a run. Ward batted for Brooklyn in the third inning and cleared Robertson before it was noticed that only eight Cubs were in the field. A. L. DIRECTORS DISCUSS MAYS

Will Also Investigate Alleged Relations of Johnson With Cleveland.

New York, Aug. 14.—At a special meeting of the board of directors of the American League of Baseball Clubs here today, the powers of the president, Ban B. Johnson, in his relations with the club owners formed the chief topic for discussion.

The meeting was called by a majority of the directors and was the result of the indefinite suspension of Carl W. Mays, a pitcher, recently sold by the Boston club to New York.

Will Make Inquiry. In addition to considering the powers exercised by president Johnson, it was announced that the majority of directors would make inquiry regarding Mr. Johnson's relations with the Cleveland club. Further legal complications developed yesterday in the Mays controversy when a court order was obtained by officials of the New York club requiring president Johnson to appear before a referee in this city Friday to answer questions regarding a possible financial interest in the Cleveland organization.

Mr. Johnson was served with an injunction preventing him from utilizing a league playing fund in defending cases against him growing out of the controversy.

Will Play in Detroit. Detroit, Mich., Aug. 14.—Although the court order restraining clubs and umpires from interfering with the use of pitcher Carl Mays is not effective here, president Frank J. Navin of the Detroit club, let it be known today that he has no intention of opposing Mays's appearance here.

HUGIE WALKER IS AFTER BOUT

Kansas City Heavyweight Star Would Like to Come to El Paso.

Plastic followers of El Paso and vicinity will have an opportunity of seeing one of the best light heavyweights if arrangements can be made to secure some promising young pugilist in that class to meet him.

Hugh A. Walker, Kansas City's pride in the pugilistic world, is very desirous of meeting someone here in his near future. He bars no one and has met and defeated such men as Jack Dillon three times, knocked out Gunboat Smith, fought a 15 round draw with Eddie McGoorty at Association park, Kansas City, July 4, 1918 and is ready and willing to meet any light heavyweight or heavyweight in the county.

MAKES HOLE IN ONE

Tom Boyd, the Fox Hills Golf club professional, is now wearing a smile that won't come off. At last he has attained the goal for which he has been striving for more than 30 years. In other words, Tom has made a hole in one, and he says it is surely a thing that he has never done before.

Tom had to get the one to win the hole, as his opponent, Courtlandt Van Cleave, said his tee shot to within a yard of the flag and got the putt down for a two. Boyd used a spoon in making the fortunate stroke.

Another automobile was added to the long list lost by El Paso motorists.

The nerve of the guy who would take a car right away and brush the military police out of the road is passing about gets my goat," said Gundy Wednesday.

It took Nick just a few minutes to lose \$1200 that he took a lot of hard walla to get.

British Urge Athletic Clamp

The international committee has scheduled the Olympic games for September, 1920, and has assigned them to Antwerp, Belgium. But there is no certainty that the games will be held. In fact, it looks very much as if the meet will be postponed. British sentiment, which had been mildly antagonistic to the proposition, turned absolutely against it when American athletes swept track and field in the interallied games in the Pershing stadium. English critics point out that America has not only the men who competed at Jolville, but many another star athlete at home, and that it would be futile to expect the British or any other national except the Swedes to make a fair showing against the Yankees.

Will Your Car Be There When You Get Back?

The theft of Nick Gundy's automobile is the latest crime of a clever band of car thieves working here. Members of the gang are watching YOU, Mr. Car Owner, and your auto may be next to go if you do not protect yourself. There is one certain way to prevent auto theft—the

"Relco" Lock Stops The Thief

It absolutely protects your car from being stolen. A car cannot be started when locked with a "Relco" lock. The lock is unpickable, unbreakable. There is no master key, nor can one be made. Approved by many of El Paso's prominent citizens. Approved by the Underwriters' Laboratories.

A Lock for Every Make of Car. Phone for Actual Demonstration.
